

Year 1

Inference

Inference is when you read between the lines and look for clues in a story.

Children will choose one of the answers by ticking the correct one.

When are the apples ready to be picked?

Tick **one**.

- | | | | |
|--------|--------------------------|--------|--------------------------|
| spring | <input type="checkbox"/> | autumn | <input type="checkbox"/> |
| summer | <input type="checkbox"/> | winter | <input type="checkbox"/> |

Prediction

A **Prediction** is a statement that someone makes about what they think is going to happen.

What do you think this text will be about?

Who do you think has done it?

What do you think Dylan will say next?

Retrieval

Retrieval is when you have to pick out information from a text in order to answer questions about it.

Children will be asked to remember information from the text choosing the correct answer.

Liam works...

- | | |
|------------------------------------|--------------------------|
| | Tick one . |
| outside all of the time. | <input type="checkbox"/> |
| at a desk when it is cold outside. | <input type="checkbox"/> |
| outside when it is sunny. | <input type="checkbox"/> |
| at a desk all of the time. | <input type="checkbox"/> |

Who are the main Characters?

Tell me three facts that you have learnt from the text?

Summarising

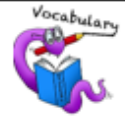

Summarising means recalling the main points or ideas.

Children will be asked to summarise and recall events.

Can you retell what happened in the story?

Vocabulary

Reading **Vocabulary** refers to the words we need to know to understand what we read.

Find an adjective in the text.

Find two adjectives in the text which are opposites.
